

PINOT NOIR 2017

Only Natural Ingredients!

TASTING NOTES

Deep, complex aromatics are accented by dark cherry and a touch of cranberry. Barrel aging lends subtle smoky notes and hints of baking spices to the flavor. The mouth-feel is rich and concentrated from the low yields & warm climate of the Rogue Valley. The wine has great depth yet is very balanced and finishes with a delicate texture.

Pairs best with pizza.

VINEYARD SOURCES

25% Pinot Noir
Wooldridge Creek Vineyard in Applegate Valley, Rogue Valley AVA, Oregon

Wooldridge Creek Vineyard is located on a rolling hillside overlooking the majestic Applegate River Valley. All of the vines are self-rooted, which means that the grapevines were planted in the same way as were the original European vineyards. Fruit from this vineyard is live certified.

75% Pinot Noir
Rock'N'R Ranch in Rogue Valley AVA, Oregon

The Rock'N'R Ranch backs up to the Siskiyou National Forest and measures about 400 acres with 50 acres planted to vines.

The Applegate Valley (within the Rogue Valley) is characterized by many micro-climates and high soil diversity. Long, warm days accompanied by very cool nights and a very low risk of precipitation leads to wines with great depth of flavor and complexity. Each vineyard in the Rogue Valley brings unique characteristics to their fruit because of the soil diversity and high altitude (1000-1500 feet). Wines coming from the right vineyards are powerful and extremely complex.
