### VINEYARD SOURCE

100% Chardonnay  
Fallen Leaf Vineyard  
Sonoma Coast AVA, California

Located on the top of the Eastern slope of the Sonoma ridge overlooking the town of Sonoma, Fallenleaf Vineyard is an 8-acre gem planted to Old Wente Chardonnay. Owner Harry Cohn works tirelessly with Atlas Vineyard Management to methodically produce a stellar crop year after year. Established before today's modern skinny tractors, the low yields of wide rows are compensated for with a unique double trunk / mid-wire cordon system that can only work in a well-ventilated, cool hillside site like this one.
