### TASTING NOTES

A blend of fruits, florals and spices fills the nose and palate, reminiscent of blackberry jam, black cherry, dried violets, chocolate, cinnamon, nutmeg, toasted wood and black tea. Plush tannins coat the mouth while balanced acidity adds lift and lightness to the midpalate. It's an overall engaging, full-bodied red wine.

### 100% CABERNET SAUVIGNON

### VINEYARD SOURCES

#### SIERRA FOOTHILLS AVA, CALIFORNIA

33% Rorick Heritage Vineyard, Calaveras AVA

At an elevation of 2,000 feet, Rorick Heritage Vineyard is a genuine hidden gem of California producing extremely low yields and wines of character. Rorick Heritage Vineyard is situated on limestone soils beneath a top layer of schist. The alpine growing season combined with limestone soils leave an indelible mark on the wines grown there with beautiful aromatics, textural presence, and bright natural acidity are all hallmarks of the site.

#### PASO ROBLES AVA, CALIFORNIA

67% Bellum's Vineyard, Paso Robles AVA, California

The richness and length in Omen Cabernet Sauvignon comes from the deep alluvial soils and a maritime climate of the Paso Robles AVA.
