### VINEYARD SOURCES

#### SIERRA Foothills AVA, CA

50% Petite Sirah  
Element 79 Vineyard, Fair Play AVA

30% Syrah  
Saureel Vineyards, Gold Hill AVA

1,650' elevation in the Gold Hill District in the town of Placerville, CA. The vineyard is widely known to exist in the "banana belt" region of El Dorado County which cools off nicely at night with air drainage to the American River.

20% Zinfandel  
Element 79 Vineyard, Fair Play AVA

Just south of Placerville, at an elevation of 2400 ft you will find the Fair Play AVA. High mountainsides and deep granite soils develop grapes for intense wines. It's astounding to us that this area has been growing incredible wine grapes since the California Gold Rush, yet it is still a relatively unknown, untapped goldmine of high quality fruit!
